

SECOND CITY SOUND - INFORMATION ABOUT COVID RULES FOR VISITORS

These reminders are taken from our risk assessment which can be found at secondcitysound.org.uk

Visitors should be aware of our guidelines and requirements. We would encourage you to obtain and use your free 'lateral flow test kits' from the chemist, GP or supermarket to keep yourselves and others safe.

Visitors will be met at the gate on arrival. You will need to wear a face mask unless you medically exempt.

You will have to sign a copy of the COVID questionnaire. This will be provided either by email prior to your visit, or at the door.

You will have your temperature tested (if it is over 37.8 you will be refused admittance). You will be asked to sanitise your hands. Your greeter will then take you to the agreed place or person.

- You will be registered on arrival for safety and 'Track and Trace' purposes.
- If you feel you may need to sit down during your visit please bring a folding chair with you.
- Wear your mask at all times when you come to our rehearsal venue.
- Bring a bag to keep your belongings in – avoid cross contamination.
- Do not share music, pens or anything else.
- Keep two metres apart at all times. No social contact.
- Adhere to the one way system.
- Stand by a marker. This will be your space. Do not invade anyone else's space.
- If you need to go to the toilet please sanitise taps, door knobs etc. There will be hand wash, paper towels and wipes available. The maximum number allowed in the toilet area at any one time is two, socially distanced of course.
- Please park on the street unless you have a medical need to park in the car park. If you are late and the gates are shut you will need to phone Elaine Mobsby on 07983 345040.
- All doors and gates will be locked at 8.00 p.m. for security purposes so please arrive promptly or your greeter will have to disrupt rehearsal to come out and let you in. Grove Vale School are very strict about security and keeping to their guidance is part of our contract with them.

I hope that's covered everything if not let me know and ask the questions
